MAHATMA GANDHI COLLEGE THIRUVANANTHAPURAM

IQAC ACTION PLAN 2025–2026

Institutional Quality Assurance Plan with Department-wise Signature Programmes

📖 Department of English – Monthly Plan (June 2025 to March 2026)

Themes: Literary Creativity | Digital Engagement | Environmental Literature

---

June 2025 –Creative Foundations

- **Literary Innovation Series**: Creative Writing Bootcamp — Introduction to poetry and short story writing
- **Digital Humanities Drive**: Orientation on LMS features and e-governance tools for students
- **Environmental Literary Outreach**: Launch "Green Fiction in Villages" project planning and partnership outreach
- **Literary Café**: Informal campus meetups to discuss favourite authors and writing styles
- **Peer Critique Circles**: Form student groups for regular writing feedback sessions

---

July 2025 – Developing Voice & Digital Skills

- **Literary Innovation Series**: Workshop on narrative techniques and character development
- **Digital Humanities Drive**: Micro-MOOC launch on "Introduction to Digital Literature"
- **Environmental Literary Outreach**: First nature journaling sessions in local schools
- **Guest Talk**: Digital publishing and copyright in literature
- **Literary Café**: Theme discussion on "Nature and Environment in Literature"

August 2025 – Collaborative Writing & Tech Integration

- **Literary Innovation Series**: Peer Critique Circles focused on revising and editing drafts
- **Digital Humanities Drive**: Workshop on digital storytelling tools and platforms
- **Environmental Literary Outreach**: Eco-Lit collaboration with local NGOs and library tie-ups
- **Student Reading Festival**: Open mic sessions with original eco-themed works
- **LMS Training**: Faculty and student upskilling for course content delivery

---

September 2025 – Thematic Exploration & Online Presence

- **Literary Innovation Series**: Creative Writing Bootcamp on drama and scriptwriting
- **Digital Humanities Drive**: Launch digital literary conversations – online forums and webinars
- **Environmental Literary Outreach**: Organize eco-literary contests for village and school students
- **Literary Café**: Discussion on "Climate Change and Literature"
- **Peer Critique Circles**: Final draft presentations

October 2025 – Publishing & Outreach Expansion

- **Literary Innovation Series**: Workshop on self-publishing and literary magazine production
- **Digital Humanities Drive**: Micro-MOOC session on digital archiving of literary works
- **Environmental Literary Outreach**: Expand nature journaling to more schools and start eco-literary podcast series
- **Guest Lecture**: Environmental writing and activism in modern literature
- **Campus Event**: "EcoLit Week" with readings, exhibitions, and film screenings

November 2025 – Research & Community Engagement

- **Literary Innovation Series**: Collaborative writing projects and literary magazine editing
- **Digital Humanities Drive**: Training on metadata and digital curation for literary archives
- **Environmental Literary Outreach**: Field visits for nature journaling with students and local poets
- **Literary Café**: Panel discussion with environmental writers and activists
- **Peer Critique Circles**: Workshops on literary critique methods

December 2025 – Festive Creative Expressions

- **Literary Innovation Series**: Holiday-themed writing bootcamp and storytelling sessions
- **Digital Humanities Drive**: Evaluation and feedback on Micro-MOOCs and online content
- **Environmental Literary Outreach**: Publish a digital anthology of eco-literary works by students
- **Literary Café**: Festive readings and creative sharing sessions
- **Faculty-Student Workshop**: Planning next semester's digital initiatives

January 2026 – New Year, New Narratives

- **Literary Innovation Series**: Focus on experimental and multimedia writing
- **Digital Humanities Drive**: Launch new Micro-MOOCs on advanced digital literary criticism
- **Environmental Literary Outreach**: Community workshops on sustainable writing and publishing
- **Guest Talk**: Literature in the Anthropocene
- **Peer Critique Circles**: New groups formed for fresh projects

February 2026 – Festival & Public Engagement

- **Literary Innovation Series**: Organize a mini literary festival featuring student and guest authors

- **Digital Humanities Drive**: Host webinars on digital humanities research trends
- **Environmental Literary Outreach**: Village storytelling events and eco-literary fairs
- **Literary Café**: Theme on "The Role of Literature in Environmental Justice"
- **Publication Prep**: Start editing annual literary magazine with eco-theme

---

March 2026 – Reflection & Future Directions

- **Literary Innovation Series**: Showcase of creative works from the year in a public event
- **Digital Humanities Drive**: Review and future planning for digital literature initiatives
- **Environmental Literary Outreach**: Final nature journaling sessions and report presentations
- **Literary Café**: Closing discussions and reflections on the year's literary journey
- **Annual Report**: Compile activities and achievements for documentation and NAAC submissions

⚛ Department of Physics – Academic Plan (June 2025 to March 2026)

Themes: Applied Physics Outreach | Advanced Learning | Industry Skills

June 2025 – Launch & Orientation
- **Applied Physics Lab-to-Community Series**: Physics demo exhibition at a nearby rural school introducing basic physics concepts
- **Quantum Talk Tuesdays**: Orientation session & first seminar — "Introduction to Quantum Mechanics" by a senior student
- **Nano Tech Skill Lab**: Introductory workshop on nanotechnology basics and lab safety
- **Team Formation**: Student coordinators for outreach and seminar series
- **Physics Quiz**: Icebreaker event to engage all batches

July 2025 – Fundamental Concepts in Action
- **Applied Physics Lab-to-Community Series**: Hands-on workshop on optics and light phenomena for school students
- **Quantum Talk Tuesdays**: Seminar on "Wave-Particle Duality and Experiments"
- **Nano Tech Skill Lab**: Basic instrumentation training: Scanning Electron Microscopy (SEM) overview
- **Outreach Report**: Collect feedback from rural school visits
- **Lab Journal**: Start documenting outreach and seminar activities

August 2025 – Exploring Quantum Frontiers
- **Applied Physics Lab-to-Community Series**: Physics games and experiments on magnetism and electricity in schools
- **Quantum Talk Tuesdays**: Seminar on "Quantum Entanglement and Applications"
- **NanoTech Skill Lab**: Hands-on session on Atomic Force Microscopy (AFM) operation
- **Inter-Department Collaboration**: Joint seminar with Chemistry on "Nano Materials and Their Physics"
- **Student Research Proposal**: Encourage submission of mini-project ideas in nanotech

September 2025 – Tech Skills & Seminars
- **Applied Physics Lab-to-Community Series**: Demonstration of renewable energy concepts (solar cells, wind energy) for community awareness
- **Quantum Talk Tuesdays**: Seminar on "Quantum Computing: Principles and Prospects"
- **NanoTech Skill Lab**: Training on sample preparation for nanotech instruments
- **Industry Guest Lecture**: Expert talk on "Nanotechnology in Industry" from partner company
- **Student-Led Workshop**: Basics of coding for physics simulations

October 2025 – Advanced Concepts & Outreach
- **Applied Physics Lab-to-Community Series**: Workshops on sound waves and acoustics in schools
- **Quantum Talk Tuesdays**: Seminar on "Quantum Cryptography and Information Security"
- **NanoTech Skill Lab**: Advanced training on spectroscopy techniques in nanotech labs
- **Physics Day Event**: Open house with demos, quiz, and poster presentations by students
- **Project Teams**: Form teams for applied nanotech mini-projects

November 2025 – Research and Community Impact
- **Applied Physics Lab-to-Community Series**: Physics of everyday appliances – hands-on demo for rural students
- **Quantum Talk Tuesdays**: Seminar on "Quantum Sensors and Their Applications"
- **NanoTech Skill Lab**: Workshop on data analysis and interpretation of nanotech experiments
- **Outreach Documentation**: Prepare a photo/video documentary of community engagement

- **Mid-term Review**: Assess progress in NanoTech training and seminar series

December 2025 – Innovation & Reflection
- **Applied Physics Lab-to-Community Series**: Holiday special: Physics magic shows to engage younger students
- **Quantum Talk Tuesdays**: Seminar on "Recent Advances in Quantum Field Theory"
- **NanoTech Skill Lab**: Industry partner feedback session and lab skill assessment
- **Student Presentation**: Mini-project presentations on nanotech themes
- **Reflection Workshop**: Feedback and planning for next semester

January 2026 – New Year, New Ideas
- **Applied Physics Lab-to-Community Series**: Start new cycle with focus on mechanics and motion demonstrations
- **Quantum Talk Tuesdays**: Seminar on "Topological Insulators and Emerging Materials"
- **NanoTech Skill Lab**: Training on nanofabrication techniques
- **Guest Lecture**: Industry professional on "Career Opportunities in Nanotech"
- **Physics Club Meetup**: Strategy meeting for upcoming science fairs and contests

February 2026 – Applied Physics & Skills Showcase
- **Applied Physics Lab-to-Community Series**: Energy conservation workshop and physics behind it for local communities
- **Quantum Talk Tuesdays**: Seminar on "Quantum Optics and Photonics"
- **NanoTech Skill Lab**: Final practical assessments and certification distribution
- **Science Fair Preparation**: Begin organizing physics exhibits for college-level science fair
- **Collaboration Meet**: Discuss joint projects with local industries

March 2026 – Annual Wrap-up & Celebration
- **Applied Physics Lab-to-Community Series**: Final outreach session: Physics awareness drive at multiple schools
- **Quantum Talk Tuesdays**: Grand seminar — "The Future of Quantum Technologies" with panel discussion
- **Nano Tech Skill Lab**: Showcase of student projects and lab achievements

Mahatma Gandhi College
Thiruvananthapuram

DEPARTMENT OF CHEMISTRY

June 2025: Launch and Orientation

- **Programme 1**: *Inauguration of Green Chemistry Campaign* – keynote by an environmental chemist.
- **Programme 2**: *Orientation on Green Lab Practices* – for UG and PG students.
- **Programme 3**: *ChemTeach Demo 1* – "Making Indicators from Natural Sources".
- **Programme 4**: *Interdepartmental Poster Competition* – "Chemistry for a Greener Tomorrow".
- **Programme 5**: *Student Survey* – on awareness and practices in green chemistry.

July 2025: Industry Linkage Month

- **Programme 1**: *Signing of MoUs* – with at least two local chemical/pharmaceutical industries.
- **Programme 2**: *Industry Talk Series 1* – "From Lab Bench to Production Line".
- **Programme 3**: *ChemTeach Demo 2* – "Green Alternatives to Traditional Reagents".
- **Programme 4**: *Virtual Industry Tour* – of a chemical plant with eco-safety practices.
- **Programme 5**: *Hands-on Workshop* – "Industrial Techniques in Analytical Chemistry".

August 2025: Sustainability Awareness Drive

- **Programme 1**: *Eco-Lab Week* – showcasing green experiments in regular labs.
- **Programme 2**: *Awareness Rally* – on "Reduce Laboratory Waste" campaign.
- **Programme 3**: *ChemTeach Demo 3* – "Microscale Chemistry: Safer & Sustainable".
- **Programme 4**: *Peer Teaching Day* – students conduct eco-lab demos for juniors.
- **Programme 5**: *Public Outreach* – awareness programme in a local school.

September 2025: Research and Innovation Month

- **Programme 1**: *Workshop* – "Innovations in Sustainable Chemistry".
- **Programme 2**: *Green Chemistry Paper Presentation Contest* – for PG students.
- **Programme 3**: *ChemTeach Demo 4* – "Waste to Wealth: Chemistry of Reuse".
- **Programme 4**: *Collaboration Pitch* – faculty-student project proposal drive.
- **Programme 5**: *ChemTalk* – guest lecture on cutting-edge green chemistry research.

October 2025: Skill Enhancement and Curriculum Enrichment

- **Programme 1**: *Curriculum Audit* – integration of green chemistry concepts.
- **Programme 2**: *Student Workshop* – "DIY Lab Apparatus from Recycled Materials".
- **Programme 3**: *ChemTeach Demo 5* – "Designing Sustainable Chemical Reactions".
- **Programme 4**: *Guest Lecture* – "Employability in Sustainable Chemical Industries".
- **Programme 5**: *Hands-on Session* – "Green Solvents and Safer Substitutes".

November 2025: Outreach and Extension Month

- **Programme 1**: *Extension Programme* – chemical safety awareness in rural schools.

- **Programme 2**: *ChemCamp for School Students* – basic green experiments.
- **Programme 3**: *ChemTeach Demo 6* – "Everyday Chemistry: Sustainable Products".
- **Programme 4**: *Science Communication Challenge* – eco-chemistry theme.
- **Programme 5**: *Exhibition Booth* – in district-level science fair on Green Chemistry.

December 2025: Review and Reflection

- **Programme 1**: *Green Chemistry Audit* – evaluating lab practices.
- **Programme 2**: *ChemTeach Review Meet* – feedback & future strategies.
- **Programme 3**: *Student Reflection Presentations* – "My Green Chemistry Journey".
- **Programme 4**: *Poster Display* – recap of all Green Chemistry Campaign highlights.
- **Programme 5**: *Alumni Panel* – industry professionals talk about sustainable practices.

Department of Botany – Monthly Academic Plan (2025–2026)

Flagship Programme: *Plant for Planet Initiative*
Yearlong Programme: *Flora Documentation Drive*
Monthly Feature: *Green Talks Series*

June 2025: Environment Orientation

- **Programme 1**: *Launch of "Plant for Planet" Campaign* – tree planting by students and staff.
- **Programme 2**: *Establishment of Herbal Garden – Phase I* (Selection & Layout Planning).
- **Programme 3**: *Green Talk 1*: "Campus Biodiversity and its Role in Climate Action".
- **Programme 4**: *Orientation Session* – on Flora Documentation methods and tools.
- **Programme 5**: *Biodiversity Walk* – mapping local flora in the college vicinity.

July 2025: Herbal Garden Development & Documentation Begins

- **Programme 1**: *Planting Indigenous Medicinal Plants* – student-led activity.
- **Programme 2**: *Workshop* – "Techniques for Herbarium Preparation and Digitization".
- **Programme 3**: *Green Talk 2*: "Medicinal Plants and Traditional Knowledge Systems".
- **Programme 4**: *Initiation of Flora Documentation Drive* – local and campus flora.
- **Programme 5**: *Field Visit* – to a government or NGO-run herbal garden.

August 2025: Community Outreach and Conservation

- **Programme 1**: *Herbal Garden – Phase II* (Labelling & QR-coded Information Boards).
- **Programme 2**: *Awareness Drive in Schools* – "Know Your Local Plants".
- **Programme 3**: *Green Talk 3*: "Conservation of Endemic and Threatened Plant Species".
- **Programme 4**: *Students as Eco-Guides* – herbal garden tours for the public.
- **Programme 5**: *Poster Exhibition* – on endangered plants of the Western Ghats.

September 2025: Biodiversity Month

- **Programme 1**: *Mini-Workshop* – on Digital Tools for Plant Identification.
- **Programme 2**: *Photo Documentation Competition* – "Hidden Flora of Campus".
- **Programme 3**: *Green Talk 4*: "Citizen Science in Biodiversity Conservation".
- **Programme 4**: *Plant Diversity Audit* – updated report with student teams.

- **Programme 5**: *Launch of Online Biodiversity Repository* – hosted on department website.

October 2025: Curriculum Integration and Innovation

- **Programme 1**: *Seminar by Students* – "Plant-Based Innovations for Sustainability".
- **Programme 2**: *Eco-Trail Creation* – guided path with tagged native species on campus.
- **Programme 3**: *Green Talk 5*: "Plants and Climate Resilience – Adaptive Mechanisms".
- **Programme 4**: *Interdepartmental Quiz Competition* – "Green Intelligence".
- **Programme 5**: *Model-Making Contest* – depicting plant-based environmental solutions.

November 2025: Research Exposure and Field Learning

- **Programme 1**: *Field Trip* – to a biodiversity hotspot (eg. forest ecosystem visit).
- **Programme 2**: *Interactive Workshop* – "Ethnobotany and Community Plant Knowledge".
- **Programme 3**: *Green Talk 6*: "Botanical Research for Sustainable Development".
- **Programme 4**: *Flora Documentation – Phase II* – identification & photography.
- **Programme 5**: *Hands-on Herbarium Lab* – preparation and preservation techniques.

December 2025: Skill Development and Review

- **Programme 1**: *Skill Session* – "Creating Illustrated Plant Field Guides".
- **Programme 2**: *Student Presentations* – progress on flora documentation by batches.
- **Programme 3**: *Green Talk 7*: "Botanical Illustration as a Scientific Skill".
- **Programme 4**: *Campus Green Audit* – inventory of planted saplings and garden plants.
- **Programme 5**: *Student-led Maintenance Day* – care of herbal garden and eco-trail.

January 2026: Outreach and Collaboration Month

- **Programme 1**: *Inter-collegiate Meet* – "Plants and People: A Biodiversity Dialogue".
- **Programme 2**: *Collaborative Field Survey* – with forest department or local NGOs.
- **Programme 3**: *Green Talk 8*: "Restoring Native Habitats: Challenges & Strategies".
- **Programme 4**: *Extension Lecture for Schools* – "Medicinal Plants Around Us".
- **Programme 5**: *Ethnobotanical Interview Drive* – collecting knowledge from elders.

February 2026: Innovation and Impact Assessment

- **Programme 1**: *Mini Research Symposium* – "Student Projects in Plant Studies".
- **Programme 2**: *Botany Wall Magazine* – theme: "Plants that Heal, Plants that Save".
- **Programme 3**: *Green Talk 9*: "Urban Greening with Native Species".
- **Programme 4**: *Impact Study Presentation* – by UG and PG groups on greening initiatives.
- **Programme 5**: *Workshop* – "Designing a Sustainable Herbal Garden for Small Spaces".

March 2026: Conclusion and Legacy Building

- **Programme 1**: *Green Graduation Ceremony* – distribute saplings to final-year students.
- **Programme 2**: *Herbal Garden Handbook Launch* – compiled by students.
- **Programme 3**: *Green Talk 10*: "The Future of Plant Sciences in a Changing Climate".
- **Programme 4**: *Annual Review & Exhibition* – flora documentation, eco-trail, herbarium.
- **Programme 5**: *Certificate Distribution & Recognition* – for all contributors.

Thiruvananthapuram

Department of Zoology – Academic Activity Plan (2025–2026)

Flagship Campaigns: Wildlife Conservation, Aquatic Ecosystem Study, and Student-led Research Publication

June 2025: Ecosystem Studies

- **Programme 1**: *Orientation to Academic Themes* – briefing on Wildlife, Aquatic Lab, and ZooDoc Journal.
- **Programme 2**: *Inauguration of Aquatic Bio Lab* – water sample collection begins.
- **Programme 3**: *Hands-on Workshop* – "Water Quality Testing Techniques".
- **Programme 4**: *Documentary Screening* – "Freshwater Ecosystems: Threats and Solutions".
- **Programme 5**: *Call for ZooDoc Submissions* – guidelines and research writing workshop.

July 2025: Wildlife Awareness Month

- **Programme 1**: *Field Visit* – to a nearby wildlife sanctuary or national park.
- **Programme 2**: *Wildlife Conservation Talk Series* – experts on habitat protection.
- **Programme 3**: *Collaboration with Animal Rescue NGOs* – awareness and volunteering.
- **Programme 4**: *Documentary Screening* – "Vanishing Giants: India's Elephants in Crisis".
- **Programme 5**: *Wildlife Photography Contest* – "Life in the Wild".

August 2025: Faunal Documentation & Aquatic Study

- **Programme 1**: *Survey of Local Fauna* – biodiversity count in campus and nearby areas.
- **Programme 2**: *Aquatic Bio Lab – Phase II*: Algae and invertebrate study.
- **Programme 3**: *Expert Talk* – "Zoonotic Diseases and Wildlife Conservation".
- **Programme 4**: *Lab Workshop* – "Plankton Sampling and Identification".
- **Programme 5**: *ZooDoc Mentoring Session* – guiding student groups on research writing.

September 2025: Marine & Freshwater Biodiversity Month

- **Programme 1**: *Field Visit* – to a coastal/mangrove ecosystem.
- **Programme 2**: *Interactive Seminar* – "Coral Reefs and Marine Diversity of India".
- **Programme 3**: *Student Activity* – Create "Eco Cards" on endangered aquatic species.
- **Programme 4**: *Lab Activity* – Comparative water body biodiversity analysis.
- **Programme 5**: *ZooDoc Peer Review Week* – student exchange of drafts and feedback.

October 2025: Conservation Outreach

- **Programme 1**: Wild life Awareness week celebrations-
- *Outreach Campaign* – "Protect Local Ponds" in collaboration with NGOs.
- **Programme 2**: *Awareness Rally* – "Save Wetlands, Save Lives".
- **Programme 3**: *Workshop* – "Designing Student Research Projects in Zoology".
- **Programme 4**: *Guest Talk* – "From Amphibians to Apex Predators: Indian Wildlife".
- **Programme 5**: *Zoo Doc Editorial Board Meeting* – finalize selected articles.

November 2025: Student Skill Development

- **Programme 1**: *Workshop* – "Ethology: Observing Animal Behaviour in the Field".
- **Programme 2**: *Practical Session* – "Microscopic Analysis of Aquatic Microfauna".
- **Programme 3**: *Zoo Doc Design & Layout Workshop* – student teams work on journal format.

- **Programme 4**: *Animal Welfare Campaign* – collaborating with local veterinary services.
- **Programme 5**: *Short Film Screening & Discussion* – "Wildlife Crimes and Law".

December 2025: Review & Compilation

- **Programme 1**: *Final Submission & Proofreading of Zoo Doc Journal*.
- **Programme 2**: *Hands-on Lab Work* – DNA barcoding awareness session.
- **Programme 3**: *Field Mapping Exercise* – "Aquatic Pollution Zones".
- **Programme 4**: *Zoology Fest – FaunaX* – exhibitions, quizzes, and science art.
- **Programme 5**: *Peer Presentations* – selected Zoo Doc contributors present findings.

January 2026: ZooDoc Launch & Dissemination

- **Programme 1**: *Zoo Doc Journal Launch Ceremony* – student-led release event.
- **Programme 2**: *Panel Discussion* – "Future of Zoological Research in India".
- **Programme 3**: *Exhibition* – of wildlife sketches, models, and student posters.
- **Programme 4**: *Community Visit* – biodiversity awareness for school children.
- **Programme 5**: *Media Feature* – student articles shared via college blog or local press.

February 2026: Applied Zoology Month

- **Programme 1**: *Seminar* – "Aquaculture and Conservation – Emerging Careers".
- **Programme 2**: *Visit to a Fish Hatchery or Aquarium Research Centre*.
- **Programme 3**: *Hands-on Session* – Aquatic Ecosystem Restoration Planning.
- **Programme 4**: *Research Skills Workshop* – "Statistical Tools for Faunal Studies".
- **Programme 5**: *Webinar* – "Integrating Tech with Wildlife Monitoring (Drones, GIS)".

March 2026: Reflection, Recognition & Legacy

- **Programme 1**: *Student Reflection Forum* – "My Journey in Zoology This Year".
- **Programme 2**: *Recognition Ceremony* – for field volunteers, ZooDoc contributors.
- **Programme 3**: *Alumni Talk* – "Careers in Wildlife and Aquatic Biology".
- **Programme 4**: *Final Impact Presentation* – highlights of all three flagship themes.
- **Programme 5**: *Proposal Pitching* – for next year's interdisciplinary projects.

PRINCIPAL
Mahatma Gandhi College
Thiruvananthapuram

🗾 Department of Economics – Academic Activity Plan (2025–2026)

Themes: Policy Simulation | Grassroots Research | Financial Awareness

June 2025: Foundation and Orientation

- **Programme 1**: *Academic Year Orientation* – focus on applied economics, surveys, and outreach.
- **Programme 2**: *Workshop* – "How to Conduct a Socio-Economic Survey" (tools, ethics, formats).
- **Programme 3**: *Pilot Survey Activity* – small-scale survey within the campus.
- **Programme 4**: *Call for EcoPolicy Registrations* – student teams formed for mock parliament.
- **Programme 5**: *Interactive Lecture* – "Understanding the Union Budget and Policy Framework".

July 2025: Field Survey Launch & Budget Simulation Prep

- **Programme 1**: *Launch of Socio-Economic Survey Series – Phase I* (Rural household survey).
- **Programme 2**: *Field Visit* – to a rural area for practical data collection.
- **Programme 3**: *Mock Debate Workshop* – training for EcoPolicy participants.
- **Programme 4**: *Student Research Group Formation* – analysis of collected data.
- **Programme 5**: *FinTalk* – expert session on government schemes and subsidies.

August 2025: Data Analysis and Community Engagement

- **Programme 1**: *Data Compilation and Preliminary Report – Rural Survey*.
- **Programme 2**: *Survey Series – Phase II*: Urban low-income household data collection.
- **Programme 3**: *Community Interaction* – understanding urban informal economies.
- **Programme 4**: *Guest Lecture* – "India's Fiscal Policies and Welfare Economics".
- **Programme 5**: *Student Discussion Forum* – Urban vs Rural Economic Challenges.

September 2025: EcoPolicy Conclave – Phase I

- **Programme 1**: *Policy Brief Writing Workshop* – student teams draft position papers.
- **Programme 2**: *Mock Committee Sessions* – taxation, subsidies, inflation, public spending.
- **Programme 3**: *Panel Discussion* – with economics faculty and alumni on policy design.
- **Programme 4**: *Mid-survey Review Meeting* – finalise survey data collection tools.
- **Programme 5**: *Collaborative Student Presentation* – survey comparison report: rural vs urban.

October 2025: FinLit Week

- **Programme 1**: *Inauguration of FinLit Week* – poster and video campaign on savings and digital banking.
- **Programme 2**: *Financial Literacy Camp I* – in a nearby school or village.
- **Programme 3**: *Session with Bank Officials* – "How to Read a Bank Statement".
- **Programme 4**: *Student Peer Talk Series* – "Smart Money Habits for College Students".
- **Programme 5**: *FinTech Workshop* – UPI, net banking, insurance and investment basics.

November 2025: Interdisciplinary Collaboration

- **Programme 1**: *Economics Meets Sociology* – joint seminar on "Poverty and Social Structures".

- **Programme 2**: *Guest Lecture* – "Public Policy and Development: An Administrative Perspective".
- **Programme 3**: *Survey Series – Phase III*: Evaluation of employment patterns among youth.
- **Programme 4**: *EcoPolicy Conclave – Phase II Preparations* (Budget Presentation Roles assigned).
- **Programme 5**: *Workshop* – "From Data to Policy: Drafting Policy Proposals from Survey Results".

December 2025: Data to Policy Month

- **Programme 1**: *Finalisation of Survey Report* – student-led presentations of findings.
- **Programme 2**: *EcoPolicy Conclave – Main Event*: Mock Parliament and Budget Debate.
- **Programme 3**: *Press Release & Publication* – student-made policy proposals.
- **Programme 4**: *Stakeholder Roundtable* – with faculty, local administrators, bankers.
- **Programme 5**: *Mid-year Review and Reflection* – student learning reflections.
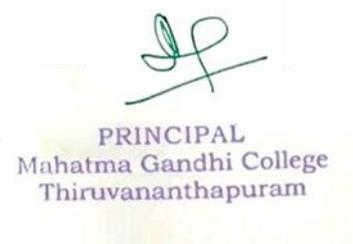

January 2026: Research & Extension

- **Programme 1**: *Research Paper Drafting Workshop* – transforming survey data into publishable work.
- **Programme 2**: *Economics Extension Lecture Series* – micro-credit, rural economy, informal sector.
- **Programme 3**: *Mini-Project Launch* – student groups propose solutions for local economic challenges.
- **Programme 4**: *Report Submission to Local Governance Bodies* (optional).
- **Programme 5**: *Career Talk* – "Careers in Development Economics and Policy Research".

February 2026: Economic Awareness Drive

- **Programme 1**: *Infographic Campaign* – simplify key economic concepts for public display.
- **Programme 2**: *Awareness Session* – for non-economics students: "Economics for All".
- **Programme 3**: *Mini Survey Wrap-up & Impact Study*.
- **Programme 4**: *Budget Review Forum* – post-Union Budget analysis (2026).
- **Programme 5**: *Economics Wall Magazine* – student-curated themes on inequality, inflation, growth.

March 2026: Recognition, Dissemination, and Planning

- **Programme 1**: *EcoPolicy Awards Ceremony* – best orator, policy brief, and researcher.
- **Programme 2**: *Student Symposium* – "Voices of Young Economists" (survey presentations).
- **Programme 3**: *Release of Annual Economics Bulletin* – compiled activities and research.
- **Programme 4**: *FinLit Outreach Report Presentation* – assess reach and impact.
- **Programme 5**: *Planning Workshop for 2026–27* – brainstorming new themes.

PRINCIPAL
Mahatma Gandhi College
Thiruvananthapuram

📖 Department of Malayalam – Academic Activity Plan (2025–2026)

Core Themes: Literary Engagement | Heritage Preservation | Folk Cultural Studies

June 2025: Heritage Orientation

- **Programme 1**: *Orientation Seminar* – on Malayalam heritage, literature, and archival value.
- **Programme 2**: *Launch of Vaayanashala Live* – with a reading of Basheer's short stories.
- **Programme 3**: *Workshop* – "Introduction to Archival Studies and Manuscript Handling".
- **Programme 4**: *Field Visit* – to a local library/archive housing palm-leaf manuscripts.
- **Programme 5**: *Formation of Archive & Documentary Teams* – student groups assigned roles.

July 2025: Literary Exploration Month

- **Programme 1**: *Vaayanashala Live: P. Kunhiraman Nair Poetry Recital and Discussion*.
- **Programme 2**: *Documentation Training Workshop* – video recording, oral interviews.
- **Programme 3**: *Digitization Drive – Phase I*: Sorting and scanning of local rare texts.
- **Programme 4**: *Guest Talk* – "Preserving Literary History in the Digital Age".
- **Programme 5**: *Screening* – of a short film based on a Malayalam literary classic.

August 2025: Folk Culture Documentation Launch

- **Programme 1**: *Cultural Documentary Drive – Phase I*: Oral history collection begins (Theyyam, Padayani, etc.).
- **Programme 2**: *Vaayanashala Live*: Women Writers of Kerala – Lalithambika Antharjanam.
- **Programme 3**: *Guest Lecture* – "Interpreting Folk Songs as Literary Texts".
- **Programme 4**: *Field Visit* – to a rural folk performance site or performer's home.
- **Programme 5**: *Student Presentation* – on initial interviews/documentary footage.

September 2025: Archival Expansion & Literary Tribute

- **Programme 1**: *Digitization Project – Phase II*: Metadata tagging and cataloguing rare books.
- **Programme 2**: *Vaayanashala Live*: Tribute to M. Govindan – Literary Journalism in Malayalam.
- **Programme 3**: *Manuscript Exhibition* – "Unseen Malayalam: A Glimpse into Handwritten History".
- **Programme 4**: *Skill Workshop* – on subtitling and transcription of documentary footage.
- **Programme 5**: *Panel Discussion* – "Print to Pixel: Relevance of Literary Archives Today".

October 2025: Folk Art and Community Engagement

- **Programme 1**: *Cultural Documentary Drive – Phase II*: Video interviews with folklore practitioners.
- **Programme 2**: *Live Demonstration* – of a traditional art form (Ottanthullal/Kalari poetry recital).
- **Programme 3**: *Vaayanashala Live*: Contemporary Malayalam Novels – Reading and Critique.
- **Programme 4**: *Guest Interaction* – with a folklorist or oral historian.
- **Programme 5**: *Student Blog Launch* – "Malayala Vicharam" for essays on culture & language.

November 2025: Publishing and Public Outreach

- **Programme 1**: *Digital Archive Upload – Phase I*: Public access to digitized texts.
- **Programme 2**: *Workshop* – "Publishing Malayalam Content Online – Fonts, OCR, Layouts".
- **Programme 3**: *Cultural Film Screening* – documentary from student interviews.
- **Programme 4**: *Vaayanashala Live*: Sathyan Anthikkad's films and social narratives.
- **Programme 5**: *Photo-Story Exhibition* – Faces and Places from Kerala's Cultural Past.

December 2025: Mid-Year Review and Celebration

- **Programme 1**: *Project Showcase*: Students present archive and documentary progress.
- **Programme 2**: *Vaayanashala Live Annual Meet*: Recitation, quiz, and reading contest.
- **Programme 3**: *Community Folklore Fest*: Screening of student-created cultural videos.
- **Programme 4**: *Peer Review Sessions*: Assessing content for final archive upload.
- **Programme 5**: *E-newsletter Release*: "Malayalam Echoes" – student write-ups and project features.

January 2026: Integration & Interdisciplinary Dialogue

- **Programme 1**: *Interdepartmental Collab*: Malayalam + History – talk on Kerala's oral narratives.
- **Programme 2**: *Cultural Documentary Drive – Final Edits and Narration Recording*.
- **Programme 3**: *Vaayanashala Live*: Reading translations – Malayalam short stories in English.
- **Programme 4**: *Release of "Archive Diaries"*: Reflections from student archivists.
- **Programme 5**: *Webinar* – "Language, Memory, and Identity: The Role of Malayalam Literature".

February 2026: Final Outputs & Recognition

- **Programme 1**: *Malayalam Archive Digital Launch*: Public platform and presentation.
- **Programme 2**: *Documentary Screening Festival*: Student-made cultural documentaries.
- **Programme 3**: *Meet the Creators*: Q&A with community members featured in the films.

- **Programme 4**: *Vaayanashala Live*: "Letter Literature" – reading historical letters and diaries.
- **Programme 5**: *Award Ceremony*: Best reader, best archivist, and best documentary team.

March 2026: Legacy and Forward Planning

- **Programme 1**: *Reflection Circle*: Student testimonials on archival and cultural fieldwork.
- **Programme 2**: *Planning Meet*: Proposal drafting for Malayalam Research Cell & 2026 projects.
- **Programme 3**: *Alumni Session*: Language careers and creative writing experiences.
- **Programme 4**: *Release of Annual Compendium*: Project reports, readings, and student reflections.
- **Programme 5**: *Closing Event*: "Malayalam Mahotsavam" – showcasing all year-round activities.

☙ Department of Hindi – Academic Plan (June 2025 to March 2026)

Themes: Literary Expression | Language Inclusion | Student Publication

June 2025 – Literary Launch

- **Programme 1**: *Department Orientation*: "Exploring Hindi as a Literary and Social Force"
- **Programme 2**: *Hindi Sahitya Manch – Session I*: Poetry recital on the theme *"Naye Yug Ki Kavita"*
- **Programme 3**: *Workshop*: Basics of translation – "Samvad Se Anuvad Tak"
- **Programme 4**: *Formation of Editorial Board*: Selection of student editors for *Hindi Patrika*
- **Programme 5**: *Interactive Bulletin Board Launch*: Daily Hindi idioms & literary quotes

July 2025 – Literature and Identity

- **Programme 1**: *Hindi Sahitya Manch – Session II*: Dramatic reading of modern Hindi plays
- **Programme 2**: *Guest Lecture*: "Bhasha aur Asmita" – Role of Hindi in shaping identity
- **Programme 3**: *Translation for Inclusion – Phase I*: Selection of regional texts for translation
- **Programme 4**: *Creative Writing Competition*: Short stories and essays in Hindi
- **Programme 5**: *Wall Magazine Theme*: "Yuva Lekhan: Aaj Ka Drishtikon"

August 2025 – Language Across Borders

- **Programme 1**: *Hindi Sahitya Manch – Session III*: Patriotic poetry recital (*Deshbhakti Vishesh*)
- **Programme 2**: *Field Visit*: Local library/archive for rare Hindi manuscripts
- **Programme 3**: *Translation for Inclusion – Phase II*: Collaborative student work on dialect translation
- **Programme 4**: *Inter-departmental Panel*: "Multilingualism and National Integration"
- **Programme 5**: *Student Workshop*: Translating children's stories into tribal dialects

September 2025 – Hindi Diwas Special

- **Programme 1**: *Hindi Diwas Celebration*: Cultural events, quiz, slogan writing
- **Programme 2**: *Hindi Sahitya Manch – Session IV*: *"Rangmanch aur Kavya"* – theatre and verse
- **Programme 3**: *Essay Contest*: "Mera Hindi Prem" – for non-Hindi department students
- **Programme 4**: *Translation for Inclusion – Phase III*: Recording oral folk tales in regional dialects
- **Programme 5**: *Release of Hindi Bulletin*: Compilation of Diwas activities and student work

October 2025 – Feminist Voices in Hindi

- **Programme 1**: *Hindi Sahitya Manch – Session V*: Women poets of modern Hindi literature
- **Programme 2**: *Guest Lecture*: "Hindi Sahitya Mein Nari Chetna"
- **Programme 3**: *Translation Workshop*: Translating women-centric stories into local dialects
- **Programme 4**: *Film Screening*: Movie based on Hindi literary work followed by discussion
- **Programme 5**: *Editorial Planning*: Thematic design of the *Annual Patrika*

November 2025 – Hindi and Performing Arts

- **Programme 1**: *Hindi Sahitya Manch – Session VI*: Student-performed monoacts based on stories
- **Programme 2**: *Workshop*: Basics of script writing in Hindi
- **Programme 3**: *Translation for Inclusion – Phase IV*: Reviewing and editing translated stories
- **Programme 4**: *Intercollegiate Event*: Hindi one-act play competition
- **Programme 5**: *Student Debate*: "Kya Hindi Internet Ki Nayi Bhasha Ban Rahi Hai?"

December 2025 – Publication & Reflection

- **Programme 1**: *Final Editing Session*: Student teams finalize contributions to *Hindi Patrika*
- **Programme 2**: *Hindi Sahitya Manch – Session VII*: Open mic for personal stories and poems
- **Programme 3**: *Peer Review Workshop*: Editing and feedback on translated content
- **Programme 4**: *Launch of Translation Repository*: Digital archive of student-translated works
- **Programme 5**: *Mid-Year Feedback Circle*: Student reflections on Sahitya Manch sessions

January 2026 – Literary Journalism & Media

- **Programme 1**: *Guest Talk*: "Hindi Patrakarita aur Sahitya: Ek Sambandh"
- **Programme 2**: *Hindi Sahitya Manch – Session VIII*: Readings from Hindi journalists and columnists
- **Programme 3**: *Digital Writing Workshop*: Blogging and review writing in Hindi
- **Programme 4**: *Collab Activity*: Literary quiz with Malayalam/English departments
- **Programme 5**: *Final Review of Hindi Patrika*: Proofreading and layout design

February 2026 – Celebration of Expression

- **Programme 1**: *Annual Hindi Patrika Release Function* – Magazine launch with cultural showcase
- **Programme 2**: *Hindi Sahitya Manch – Session IX*: Highlights of the year's best student performances
- **Programme 3**: *Open Forum*: Student reflections on translation experience and literary growth
- **Programme 4**: *Art and Language Exhibit*: Posters, calligraphy, and illustrations from the Patrika

- **Programme 5**: *Short Story Publication*: Selected translated folk tales uploaded on college website

March 2026 – Year-End Review and Future Focus

- **Programme 1**: *Hindi Sahitya Manch – Grand Finale*: *"Sahitya Utsav"* with alumni participation
- **Programme 2**: *Workshop*: Planning next year's themes for Sahitya Manch and Patrika
- **Programme 3**: *Best Contributor Awards*: Recognizing outstanding student writers and translators
- **Programme 4**: *Feedback & Reporting*: Departmental documentation for NAAC/academic records
- **Programme 5**: *Vision Meet*: Proposal drafting for regional inter-collegiate Hindi literary fest 2026–27

📊 Department of Mathematics – Academic Plan (June 2025 to March 2026)

Themes: Logical Thinking | Academic Support | Applied Mathematics

June 2025 – Foundation & Orientation

- **Programme 1**: *Department Orientation Session*: "Mathematics Beyond the Textbook"
- **Programme 2**: *Quant Club Launch*: Ice-breaking logic puzzle event – *"Crack the Code"*
- **Programme 3**: *Math-Aid Session I*: Basics of algebra and arithmetic for first-year students
- **Programme 4**: *Introductory Talk*: "What is Mathematical Modelling?"
- **Programme 5**: *Planning Meet*: Identify interested students for Olympiad preparation and peer tutoring

July 2025 – Building Skills and Curiosity

- **Programme 1**: *Quant Club Puzzle Day I*: Sudoku relay, math crosswords, number riddles
- **Programme 2**: *Math-Aid Session II*: Functions and graphs support session for non-math majors
- **Programme 3**: *Workshop*: "Introduction to Excel for Data Handling" – *Data for Development Series I*
- **Programme 4**: *Poster Competition*: "Mathematics in Everyday Life"
- **Programme 5**: *Olympiad Training Begins*: Weekly problem-solving sessions

August 2025 – Applied Mathematics Month

- **Programme 1**: *Quant Club Challenge I*: Mathematical modeling contest – *"Design a Water Conservation Model"*
- **Programme 2**: *Math-Aid Session III*: Trigonometry and measurement clinic
- **Programme 3**: *Data for Development Series II*: Workshop on "Statistics in Environmental Studies"
- **Programme 4**: *Interdisciplinary Panel*: "Where Math Meets Life: Applications in Biology and Economics"
- **Programme 5**: *Math Movie Screening*: "The Man Who Knew Infinity" + reflection session

September 2025 – Teacher Support & Numeracy

- **Programme 1**: *Quant Club Olympiad Mock Test*: Preparatory test with peer feedback
- **Programme 2**: *Math-Aid Session IV*: Coordinate geometry and differentiation help desk
- **Programme 3**: *Data for Development Series III*: Workshop on "Survey Design and Basic SPSS"
- **Programme 4**: *Teacher's Day Special Quiz*: Maths-themed quiz with faculty-student teams

- **Programme 5**: *Peer Mentor Training*: Skills for peer tutors and support group leaders

October 2025 – Math and Society

- **Programme 1**: *Quant Club Puzzle Day II*: Math carnival with logic stations
- **Programme 2**: *Math-Aid Session V*: Vectors and matrices walkthrough
- **Programme 3**: *Data for Development Series IV*: "Using R for Social Science Data Analysis"
- **Programme 4**: *Field Activity*: Students visit a local agency using statistics (e.g., Census, NGO, Research Lab)
- **Programme 5**: *Math-and-Me Diaries*: Student-written blogs about their math learning journey

November 2025 – Analytical Thinking Month

- **Programme 1**: *Quant Club Challenge II*: Inter-departmental math modelling showdown
- **Programme 2**: *Math-Aid Session VI*: Application-based problems for commerce and physics students
- **Programme 3**: *Data for Development Series V*: "Correlation, Regression and Prediction"
- **Programme 4**: *Guest Lecture*: "Mathematics for National Policy and Planning"
- **Programme 5**: *Problem Wall Launch*: Weekly tough nut problems on the math corridor wall

December 2025 – Mid-Year Consolidation

- **Programme 1**: *Quant Club – Recap & Recognition*: Highlights of club activities + certificates
- **Programme 2**: *Math-Aid Session VII*: Peer-led revision marathon for semester exams
- **Programme 3**: *Data for Development Series VI*: "Data Visualisation and Infographics with Google Sheets"
- **Programme 4**: *Reflection Circle*: Tutors and mentees share feedback
- **Programme 5**: *Math Café*: Informal discussion space for tough problems over tea

January 2026 – Exploration and Innovation

- **Programme 1**: *Quant Club Puzzle Day III*: 3D puzzles, Rubik's cube speed solve
- **Programme 2**: *Math-Aid Session VIII*: Mathematical reasoning for entrance test prep
- **Programme 3**: *Data for Development Series VII*: "Real-Time Data Interpretation: Census, Budget, Climate"
- **Programme 4**: *Mathematician Profile Day*: Student presentations on Ramanujan, Hypatia, etc.
- **Programme 5**: *Alumni Interaction*: Careers in data science, actuarial science, research

February 2026 – Competitions and Collaboration

- **Programme 1**: *Quant Club Intercollegiate Olympiad*: Regional level event
- **Programme 2**: *Math-Aid Peer Fair*: Mentees become mentors – reverse teaching day
- **Programme 3**: *Data for Development Series VIII*: Capstone mini-project presentations

- **Programme 4**: *Mathematics Trail*: Students design problem-solving stations across campus
- **Programme 5**: *Math Modelling Hackathon*: Group projects on local problems using mathematical frameworks

March 2026 – Impact and Closure

- **Programme 1**: *Quant Club Annual Report Presentation*: Highlighting achievements, challenges, and testimonials
- **Programme 2**: *Math-Aid Summary Report*: Review of progress and planning for next year
- **Programme 3**: *Data for Development Series IX*: Final publication of best student papers
- **Programme 4**: *Student Exhibition*: Posters, infographics, models from across the year
- **Programme 5**: *Awards and Appreciation Day*: Top Puzzle Solver, Best Peer Tutor, Data Enthusiast Award

✸ Department of Sociology – Academic Activity Plan (2025–2026)

Themes: Sociological Inquiry | Participatory Research | Civic Responsibility

June 2025: Community Connect Club Orientation

- **Programme 1**: *Academic Orientation* – Introduction to applied sociology and fieldwork ethics.
- **Programme 2**: *Workshop* – "Basics of Social Mapping and Ethnography".
- **Programme 3**: *Formation of Community Connect Club* – student enrollment and action plan.
- **Programme 4**: *SocioLens Seminar I – "Understanding Indian Social Structure: Caste & Class"*.
- **Programme 5**: *Field Visit Plan Discussion* – selection of communities and methods.

July 2025: Immersion & Observation

- **Programme 1**: *Field Immersion Programme – Phase I*: Preliminary visit to target community (urban slum/rural pocket).
- **Programme 2**: *Social Mapping Exercise* – layout, resource availability, and institutions.
- **Programme 3**: *SocioLens Seminar II – "Gender and Work: Trends in Contemporary India"*.
- **Programme 4**: *Awareness Drive I*: Basic hygiene session in collaboration with the local health centre.
- **Programme 5**: *Photo Documentation Workshop* – capturing fieldwork ethically.

August 2025: Data & Documentation

- **Programme 1**: *Ethnographic Field Notes Review* – student reflections and group analysis.
- **Programme 2**: *Community Connect Activity II*: Literacy sessions for school dropouts.
- **Programme 3**: *SocioLens Seminar III – "Urbanization and Informal Settlements"*.
- **Programme 4**: *Guest Interaction* – with a grassroots activist or social worker.
- **Programme 5**: *Peer Dialogue Forum* – "Ethical Dilemmas in Fieldwork".

September 2025: Mid-Term Community Impact & Dialogue

- **Programme 1**: *Field Immersion Programme – Phase II*: Second round of data collection.
- **Programme 2**: *Skit or Street Play* – student-led performance on social inequality.
- **Programme 3**: *SocioLens Seminar IV – "Religion, Identity, and Conflict"*.
- **Programme 4**: *Mid-Survey Feedback Meet* – group presentations on findings.
- **Programme 5**: *Poster Exhibition* – "Faces of the Field: Everyday Life Through a Sociologist's Lens".

October 2025: Sociological Literacy Month

- **Programme 1**: *Community Connect Campaign III*: Street-level interactions on civic rights & duties.
- **Programme 2**: *Wall Magazine Launch*: "SamaajPathram" – showcasing student articles and field visuals.
- **Programme 3**: *SocioLens Seminar V – "Sociology of Media and Popular Culture"*.
- **Programme 4**: *Workshop* – "How to Write an Ethnographic Case Study".
- **Programme 5**: *Field Group Mentoring* – Faculty feedback on project quality and reporting.

November 2025: Research & Presentation

- **Programme 1**: *Student Seminar Series*: Presenting community findings and case studies.
- **Programme 2**: *Community Connect Club – Clean Space Initiative* (sanitation-focused event).
- **Programme 3**: *SocioLens Seminar VI – "Tribal Communities and Policy Marginalisation"*.
- **Programme 4**: *Micro-Research Poster Competition* – "A Sociological Insight in One Page".
- **Programme 5**: *Peer-Review Session*: Cross-assessment of student reports.

December 2025: Interdisciplinary Linkages

- **Programme 1**: *Collab Lecture*: Sociology + Political Science on *"Social Movements in India"*.
- **Programme 2**: *Community Connect Club – Reflective Meet*: Impact stories & challenges.
- **Programme 3**: *SocioLens Seminar VII – "Youth, Social Media, and Identity Formation"*.
- **Programme 4**: *Release of "Field Diaries"*: Student-written short ethnographic narratives.
- **Programme 5**: *Documentary Screening*: "India Untouched" with discussion.

January 2026: Research Publication & Extension

- **Programme 1**: *Report Finalisation* – formatting student research into publishable form.
- **Programme 2**: *Field Immersion Programme – Final Phase*: Focused interviews or follow-up study.
- **Programme 3**: *SocioLens Seminar VIII – "Education and Social Mobility"*.
- **Programme 4**: *Skill Session* – "Sociology for Civil Services & Public Policy Careers".
- **Programme 5**: *Community Project Compilation* – "Voices from the Margins" video narrative project.

February 2026: Dissemination & Civic Advocacy

- **Programme 1**: *Sociology Day Celebration* – quiz, essay, and short-film contests.
- **Programme 2**: *Community Connect Club – Health Camp Support* in partnership with local clinic.
- **Programme 3**: *SocioLens Seminar IX – "Caste in Contemporary India: Debates and Realities"*.
- **Programme 4**: *Street Corner Session* – open dialogue with public on "What Is Sociology?".
- **Programme 5**: *Exhibition*: "Sociology Through the Student Lens" – infographics, stories, visuals.

March 2026: Annual Showcase & Planning Ahead

- **Programme 1**: *Annual Fieldwork Colloquium* – student research presentations.
- **Programme 2**: *Community Impact Report Release* – assessment of outreach activities.
- **Programme 3**: *SocioLens Seminar X – "Future of Sociology: AI, Gender, and the Global South"*.
- **Programme 4**: *Awards Ceremony*: Best Field Group, Best Civic Project, Best Seminar Contribution.
- **Programme 5**: *Student Planning Retreat*: Review of 2025–26 and brainstorming for 2026–27

Thiruvananthapuram

🏛️ Department of History – Academic Activity Plan (2025–2026)

Themes: Experiential History | Heritage Interpretation | Archival Practice

June 2025: Why History Matters Today
- **Programme 1**: *Academic Year Inaugural Session*: "Why History Matters Today".
- **Programme 2**: *Histovision Lecture I*: *"Reading Monuments: Architecture as Archive"*.
- **Programme 3**: *Workshop*: Introduction to Document Preservation Techniques (History Lab prep).
- **Programme 4**: *Campus Heritage Walk – Phase I*: Survey of old buildings, plaques, and historical markers.
- **Programme 5**: *Formation of History Lab Teams*: Archival, Curation, Mapping Units.

July 2025: Heritage & Built History Focus
- **Programme 1**: *Campus Heritage Walk – Phase II*: Mapping oral histories and cultural memories.
- **Programme 2**: *Histovision Lecture II*: *"Colonial Architecture and Local Adaptations"*.
- **Programme 3**: *History Lab Activity I*: Simulated archival exercise – analyzing mock primary sources.
- **Programme 4**: *Student Documentation*: Architectural sketching and photography of heritage features.
- **Programme 5**: *Interactive Poster Session*: "Our College Through the Ages".

August 2025: Archival Practice & Local History
- **Programme 1**: *Histovision Lecture III*: *"Working in the Archives: Tools and Techniques"*.
- **Programme 2**: *History Lab Activity II*: Transcription and annotation of historical letters or records.
- **Programme 3**: *Field Visit*: Local archive, museum, or heritage library (district/state level).
- **Programme 4**: *Campus Heritage Walk – Phase III*: Documentation of cultural events in college history.
- **Programme 5**: *Student Blog Launch*: "Pages from the Past" – history snippets from archival simulations.

September 2025: Public History & Community Engagement
- **Programme 1**: *Histovision Lecture IV*: *"Public History and Community Memory"*.
- **Programme 2**: *History Lab Activity III*: Mock museum setup (curating artifacts and timelines).
- **Programme 3**: *Photo Exhibition*: *"History in Everyday Objects"* – student contributions.
- **Programme 4**: *Wall Magazine*: "Historica" – themes: lost trades, forgotten landmarks, folk heroes.
- **Programme 5**: *Community Oral History Project* begins – recording interviews with elders.

October 2025: Regional Heritage Month
- **Programme 1**: *Histovision Lecture V*: *"Kerala's Archaeological Legacy"*.
- **Programme 2**: *Field Trip*: Visit to a regional heritage site or excavation area.
- **Programme 3**: *History Lab Activity IV*: Artefact handling and cataloguing simulation.
- **Programme 4**: *Student Research Forum*: Presentations on local heritage sites.
- **Programme 5**: *Campus Heritage Walk – Phase IV*: Launch of interactive campus heritage map.

November 2025: Historical Analysis & Presentation Skills
- **Programme 1**: *Histovision Lecture VI*: *"Reading History Through Visual Culture"*.
- **Programme 2**: *History Lab Activity V*: Political cartoon analysis from historical newspapers.
- **Programme 3**: *Interdisciplinary Panel*: "History Meets Literature: Reading the Past in Fiction".
- **Programme 4**: *Student Workshop*: Creating digital timelines and interactive history posters.

- **Programme 5**: *Mini-Exhibition*: "My Object Has a Story" – personal item with historical significance.

December 2025: Review and Showcase
- **Programme 1**: *Histovision Lecture VII*: *"Digitizing History: Tools for the Modern Historian"*.
- **Programme 2**: *History Lab Exhibition*: Archival analysis reports, mock museum artefacts, and posters.
- **Programme 3**: *Quiz Contest*: *"Know Your Past"* – based on Indian and world history.
- **Programme 4**: *Oral History Showcase*: Selected interviews and narratives shared.
- **Programme 5**: *Report Release*: Preliminary documentation of Campus Heritage Project.
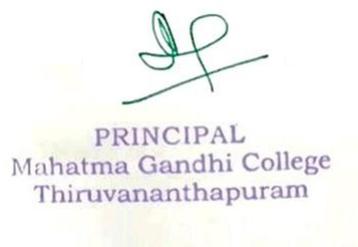

January 2026: History Beyond Borders
- **Programme 1**: *Histovision Lecture VIII*: *"Global Heritage and the Politics of Memory"*.
- **Programme 2**: *Collaborative Session*: With Sociology/Political Science on *"History and Identity"*.
- **Programme 3**: *History Lab Activity VI*: Timeline creation – world events vs. local milestones.
- **Programme 4**: *Mini-Documentary Screening*: Created by students on a local historical figure.
- **Programme 5**: *Reflection Circle*: "If I Were a Historian…" – student narratives and career visioning.

February 2026: Public Dissemination & Outreach
- **Programme 1**: *Histovision Lecture IX*: *"The Museum as a Learning Space"*.
- **Programme 2**: *History Lab Open House*: Invite students from other departments/schools.
- **Programme 3**: *Campus Heritage Walk – Final Presentation*: Illustrated guidebook release.
- **Programme 4**: *History Theatre*: Enactment of a historical event or courtroom debate.
- **Programme 5**: *Poster Competition*: "Historians for a Day" – imaginative recreations of the past.

March 2026: Year-End Wrap-Up
- **Programme 1**: *Histovision Lecture X*: *"Careers in History and Heritage Management"*.
- **Programme 2**: *Publication Launch*: Student-curated heritage walk guide + selected archival work.
- **Programme 3**: *Award Function*: Best History Lab Team, Best Guide, Best Documentation.
- **Programme 4**: *Panel Discussion*: "Decolonizing the Curriculum: Whose History Do We Teach?"
- **Programme 5**: *Planning Meet*: Strategic roadmap for Histovision and History Lab 2026–27.

🧠 Department of Psychology – Academic Plan (June 2025 to March 2026)

Themes: Mental Health Awareness | Skill Development | Expert Insights

June 2025 –
Psycho Connect Outreach: Launch campaign with introductory mental health awareness workshop for college students
- **Therapy Skills Lab**: Introduction to role-play techniques and micro-counselling basics
- **Mind Matters Talk Series**: Opening lecture on "The Importance of Mental Health in Academic Life" by a clinical psychologist
- **Workshop**: Stress management techniques for students
- **Team Formation**: Recruit and train student volunteers for outreach programmes

July 2025 – Emotional Intelligence & Communication
- **Psycho Connect Outreach**: School visits – interactive sessions on emotional awareness and coping strategies
- **Therapy Skills Lab**: Role-play focused on active listening and empathy exercises
- **Mind Matters Talk Series**: Guest talk on "Emotional Intelligence: Theory and Practice"
- **Group Activity**: Peer discussion circles on handling academic stress
- **Awareness Material**: Distribute brochures and posters on mental health myths

August 2025 – Coping with Anxiety & Depression
- **Psycho Connect Outreach**: Awareness workshop on recognizing and managing anxiety and depression
- **Therapy Skills Lab**: Micro-counselling sessions simulating anxiety management scenarios
- **Mind Matters Talk Series**: Expert lecture on "Clinical Perspectives on Depression"
- **Screening Event**: Self-assessment questionnaire and guidance clinic
- **Student Forum**: Sharing personal coping stories in safe group settings

September 2025 – Building Resilience
- **PsyConnect Outreach**: Resilience-building workshops in local schools and colleges
- **Therapy Skills Lab**: Role-plays on problem-solving and assertiveness training
- **Mind Matters Talk Series**: Lecture on "Resilience and Mental Well-being" by a researcher
- **Community Activity**: Mindfulness and meditation sessions open to public
- **Feedback Session**: Collect participant feedback for programme improvements

October 2025 – Adolescent Mental Health
- **PsyConnect Outreach**: Special focus workshops for adolescents on peer pressure and self-esteem
- **Therapy Skills Lab**: Micro-counselling focused on adolescent behavioural issues
- **Mind Matters Talk Series**: Guest lecture on "Adolescent Psychology and Mental Health Challenges"
- **Interactive Webinar**: Q&A with psychologists for students and parents
- **Awareness Campaign**: Social media drive targeting adolescent mental health

November 2025 – Stress and Time Management
- **Psycho Connect Outreach**: Workshops on managing academic and personal stress
- **Therapy Skills Lab**: Role-play on time management and coping mechanisms
- **Mind Matters Talk Series**: Talk on "Psychological Strategies for Stress Management"
- **Peer Support Group**: Formation and training of student-led support groups
- **Resource Distribution**: Guides and apps for stress and time management shared

December 2025 – Mental Health & Technology
- **Psycho Connect Outreach**: Awareness on the impact of social media and digital addiction

- **Therapy Skills Lab**: Simulation of counselling sessions addressing tech addiction
- **Mind Matters Talk Series**: Lecture on "Technology, Social Media, and Mental Health"
- **Workshop**: Digital detox strategies and healthy tech habits
- **Student-Led Initiative**: Launch of a digital well-being campaign

January 2026 – Clinical Psychology & Career Paths
- **Psycho Connect Outreach**: College workshop on career opportunities in clinical psychology
- **Therapy Skills Lab**: Advanced micro-counselling exercises including crisis intervention
- **Mind Matters Talk Series**: Guest lecture by a clinical psychologist on career trajectories
- **Alumni Interaction**: Session with former students working in mental health fields
- **Mock Interview**: Preparation for psychology-related job and higher studies interviews

February 2026 – Community Mental Health
- **Psycho Connect Outreach**: Outreach to local NGOs and community centres for mental health awareness
- **Therapy Skills Lab**: Role-plays on community counselling and outreach strategies
- **Mind Matters Talk Series**: Talk on "Public Mental Health and Policy"
- **Volunteer Drive**: Enlist students for ongoing community mental health support
- **Workshop**: Designing mental health programmes for underserved communities

March 2026 – Reflection & Future Planning
- **Psycho Connect Outreach**: Review session with all outreach volunteers and partners
- **Therapy Skills Lab**: Reflective exercises and peer feedback on counselling skills
- **Mind Matters Talk Series**: Panel discussion with psychologists and students on future trends in psychology
- **Annual Report**: Presentation of year's achievements and impact assessment
- **Planning Meet**: Brainstorm next year's programme themes and collaborations

DEPARTMENT OF PHYSICAL EDUCATION

- **Fit for Life Movement**: Year-long fitness tracking, Zumba, and strength-building challenges.
- **Inclusive Sports Day**: Events curated for students with physical and learning disabilities.
- **Wellness Webinar Series**: Talks by physiotherapists, nutritionists, and sports psychologists.
